

Fill in the gaps

I Got You by Jack Johnson

Back when all my (1)_____ goals seemed so
important

Every pot of gold fill and full of distortion

Heaven was a place still in space not in motion

But soon

I got you

I got everything

I've got you

I don't (2)_____ nothing (3)_____ than you

I got everything

I've got you

We went walking (4)_____ the hills

Trying to pretend that we both know

Maybe if we save up

We can (5)_____ a little home

But (6)_____ the hell storm came and yelled

You (7)_____ to let go

You've got no control

No

I got you

I got everything

I've got you

I don't need nothing (8)_____ than you

I got everything

I've got you

This weight's too much alone

Some days I can't hold it at all

You take it on for me

When tomorrow's too much

I'll carry it all

I've got you

And when tomorrow's too much

I'll carry it all

I got you

I got you

I got everything

I've got you

I don't need nothing more than you

I got everything

I've got you
