Get Lucky by Daft Punk & Pharrell Williams

Like the legend of the phoenix	We're up all night to get lucky
Our ends were beginnings	(We're up all night to get)
What keeps the planet spinning	(We're up all night to get)
The force from the beginning	(We're up all night to get)
We've come too far	(We're up all night to get)
To give up	(We're up all night to get)
Who we are	(We're up all night to get)
So let's raise the bar	(We're up all night to get lucky)
And our cups	(We're up all night to get luck)
To the stars	(We're up all night to get lucky)
She's up all night till the sun	(We're up all night to get lucky)
