

Fill in the gaps

In a city (1) mine there's	We were (4) by the night
No point in fighting	But you and I we gonna rise again
I close my eyes see	Divided (5) the light
You and me driving	I wanna love the way we used to when
If I am a river	'Cause baby I'm not scared
You are the ocean	Of this world (6) you're here
Got the radio on got	And baby I'm not scared
The (2) in motion	Of this (7) when you're here
We were silenced by the night	(Oh oh oh)
But you and I we gonna (3) again	You and I we gonna rise again
Divided from the light	(Oh oh oh)
I wanna love the way we used to when	You and I we gonna rise again
I lie in the dark, I feel I'm falling	We (8) silenced by the night
Feel your hand on my back hear	But you and I we gonna rise again
Your voice calling	Divided from the light
I'm out of my depth girl, stick close to me	I wanna love the way we (9) to be
Because the people in this town	
They look straight through me
