Ass Back Home by Gym Class Heroes & Neon Hitch

(Oh) You're so sexy, yo		'Cause they'd a just been over it
I don't know, where (1)	going	Let em talk, let em talk
Or when you're coming home		Let em talk, let em talk
I left the keys under the mat to our front door		Like we don't hear what they saying
For one more chance to hold you close		Let em walk, let em walk
I don't know, where you're going		Let em walk, let em walk
Just get (2) ass back home		We'll just drive by and keep waving
We both knew this type of life		'Cause you and I above all that
Didn't come with instructions		Just let them wallow in it
So I'm trying to do my best to make		Now they all choked up, yuck
Something out of nothing		'Cause they be swallowing it
And sometimes it gets downright		I don't know, where you're going
Shitty in fact		Or when (7) coming home
When you (3) and I don't know		I (8) the keys under the mat to our (9)
What city (4) in at		door
Or what day of the week		For one more chance to hold you close
In the middle of the month		I don't know, where you're going
In a year I don't recall		Just get your ass back home
It's like my life's on repeat		No one hold me down like you do sweetheart
And the last time we spoke		You keep doing that, I keep doing this
I told you I wouldn't be long		We'll be alright in the end
That was last November		Trust that
Now December's almost gone		We put the us in trust, baby
I'd apologize but I don't realize		Let's go
What I'm doing wrong		I don't care what you're after
I don't know, where you're going		As long as I'm the one, no
Or when you're coming home		I don't care why you're leaving
I left the keys under the mat to our front door		You'll miss me when you're gone
For one more chance to hold you close		I don't know, where you're going
I don't know, where you're going		Or when you're coming home
Just get your ass back home		I left the keys under the mat to our front door
And you've been nothing but amazing		For one more chance to hold you close
And I never take that for granted		I don't know, where you're going
Half of these birds would have flew the coop		Just get your ass back home
But you, you truly understand it		I'm home baby
And the (5) you stood beside me		
Every time you heard (6)	bogusness
