

The applause, applause, applause

Fill in the gaps

I stand here (1) for	Give me that thing that I love
You to bang the gong	I'll (15) the lights on
To crash the (2) saying	Put (16) hands up, make 'em touch
"Is it right or is it wrong?"	Make it real loud (touch)
If only fame had an I.V.	Give me that thing that I love
Baby could I bear	I'll turn the (17) on
Being away from you, I	Put your hands up, (18) 'em touch
Found the vein, put it in here	Make it real loud (touch)
I (3) for the applause, applause, applause	
I (4) for the applause-plause	Make it real loud
Live for the applause-plause	Put your hands up, make 'em touch, touch
Live for the way that you cheer	Make it real loud
And scream for me	Put your hands up, make 'em touch, touch
The applause, applause	
Give me that thing that I love	Touch, touch
I'll turn the lights on	
Put your hands up, make 'em touch	Touch, touch now
Make it (5) (6) (touch)	
Give me that thing that I love	I (19) for the applause, applause, applause
I'll turn the lights on	I (20) for the applause-plause
Put your hands up, make 'em touch	Live for the applause-plause
Make it (7) loud (touch)	Live for the way (21) you chee
	And scream for me
Make it real loud	The applause, applause
Put (8) hands up, make 'em touch, touch	Give me (22) thing that I love
	I'll turn the lights on
Make it real loud	Put your hands up, make 'em touch
Put your hands up, (9) 'em touch, touch	Make it (23) loud (touch)
I've overheard (10) theory	Give me (24) thing that I love
"Nostalgia's for geeks"	I'll turn the lights on
I (11) sir, if you say so	Put your hands up, make 'em touch
Some of us just like to read	Make it (25) loud (touch)
One (12) I'm a Koons, then	
Suddenly the (13) is me	Make it real loud
Pop culture was in art	Put your hands up, (26) 'em touch
Now art's in pop culture in me	Make it real loud
I live for the applause, applause	Make it (27) loud
I (14) for the applause-plause	Put your hands up, (28) 'em touch, touch
Live for the applause-plause	A-R-T-P-O-P
Live for the way that you cheer	
And scream for me
