

Fill in the gaps

| And you (1) to me one night | | Cause life is kind without you |
|--------------------------------------|-------------|---------------------------------------|
| Like a morning light | | And I know I can make it through |
| Just to hold me tight | | Without you, without you |
| Then you left and I was so alone | | Round and round |
| Saying I should have known | | I feel (9) for sure |
| You're no good for me | | Spinning all around |
| There's no (2) I (3) | cry | Now you want me, don't you |
| No, no baby, (4) survive | | No one (10) ever hold you tight |
| I don't care | | No one will ever love you like |
| I don't care | | Now you're back, I can feel your love |
| No one will ever hold you tight | | (Oh) yeah |
| No one will ever love you like | | I'm never gonna let you |
| Just no one (5) I do | | No one will ever treat you right |
| There is no one, no one | | You're the one who's never satisfied |
| No one will ever treat you right | | After all, you can fall |
| You're the one who's never satisfied | | And there's no one you can reach to |
| There is no one like I | | No one will ever, ever love you |
| Like I am | | No one will ever, ever touch you |
| I can (6) what (7) | looking for | No one will ever, ever hold |
| I'm not that girl no more | | Turn around now, just turn around now |
| I'm not made of stone | | If you love me, yeah |
| I'm gonna stand on my own | | No one like me |
| Not gonna break me down | | No one, no one |
| No one will (8) me now | | |
| No, no, no, no | | |

- 1. came
