Safe And Sound by Capital Cities

Fill in the gaps

I could lift you up	(Safe and sound)
I could show you what you want to see	(Hold your grown)
And take you where you (1) to be	(Safe and sound)
You could be my luck	I could lift you up
Even if the sky is falling down	I (8) show you what you want to see
I know that we'll be safe and sound	And take you where you want to be
We're safe and sound	You could be my luck
I could fill (2) cup	Even if the sky is (9) down
You know my river won't evaporate	I know that we'll be safe and sound
This world we still appreciate	I could lift you up
You could be my luck	I could show you what you (10) to see
Even in a hurricane of frowns	And take you where you want to be
I know that we'll be (3) and sound	You could be my luck
(Safe and sound)	Even if the sky is falling down
We're safe and sound	I know that we'll be safe and sound
(Safe and sound)	We're safe and sound
We're safe and sound	We're safe and sound
(Hold your grown)	We're safe and sound
We're safe and sound	We're safe and sound
(Safe and sound)	(Safe and sound)
I (4) show you love	We're safe and sound
In a tidal wave of mystery	(Safe and sound)
You'll still be standing (5) to me	We're safe and sound
You (6) be my luck	(Hold your grown)
Even if we're six feet underground	We're safe and sound
I know (7) we'll be safe and sound	(Safe and sound)
	We're safe and sound
We're safe and sound
