

You left me in the dark

Fill in the gaps

Cosmic Love by Florence + The Machine

| A (1) Star | No dawn, no day |
|------------------------------|---------------------------------|
| Fell from your heart | I'm (11) in this twilight |
| And landed in my eyes | In the shadow of your heart |
| I (2) aloud | |
| As it (3) them | I took the stars from our eyes |
| And now it's left me blind | And then I made a map |
| The stars, the moon | And knew (12) somehow |
| They (5) all (6) blown out | I could find my way back |
| You (7) me in the dark | Then I heard (13) heart beating |
| No dawn, no day | You were in the (14) too |
| I'm always in (8) twilight | So I stayed in the (15) (16) |
| In the shadow of your heart | you |
| And in the dark | The stars, the moon |
| I can (9) (10) heartbeat | They (17) all (18) (19) out |
| I tried to find the sound | You (20) me in the dark |
| But then it stopped | No dawn, no day |
| And I was in the darkness | I'm always in (21) twilight |
| So darkness I became | In the (22) of (23) heart |
| The stars, the moon | |
| They have all been blown out | |
