

They have all been blown out You left me in the dark

Fill in the gaps

Cosmic Love by Florence + The Machine

A (1)	star	No dawn, no day		
Fell from your heart		I'm always in this twilight		
And (2)	in my eyes	In the shadow of your heart		
(3)	aloud			
As it tore through them		I (6) the stars from our eyes		
And now it's left me blind		And then I made a map		
The stars, the moon		And knew that someh	And knew that somehow	
They (4) all been blown out		I could find my way back		
ou (5) me in the dark		Then I heard your heart beating		
No dawn, no day		You were in the darkness too		
'm always in this twilight		So I (7)	_ in the darkness (8) you	
n the shadow of your heart		The stars, the moon		
And in the dark		They have all been blown out		
can hear your heartbeat		You left me in the dark		
tried to find the sound		No dawn, no day		
But then it stopped		I'm always in this twilight		
And I was in the darkness		In the (9) of your heart		
So darkness I became				
he stars, the moon
