## Fill in the gaps

can feel you breathing	Let us (12) (13) we see
Nith your hair on my skin	And (oh) the best it could be
As we lie (1) (2) the night	Just you and I
'II (3) the sheets	And the (14) they stand up
When it's (4) on your feet	And my feet (15) to thump
Cause you'll fall back to sleep	And the (16) is dreaming around
Every time	You'll be the one
Grow old with me	Make me hurt, make me come
Let us share what we see	Make me feel like I'm (17) and alive
And oh the best it could be	
Just you and I	Grow old (18) me
And our (5) (6) (7) age	Let us (19) what we see
And our bodies will change	And (oh) the best it could be
But we'll still be the same	Just you and I
As we are	Grow old with me
Ne'll (8) sing our song	Let us share (20) we see
When our (9) ain't so blonde	And (oh) the (21) it could be
And our (10) (11) sung	Just you and I
We were right
