#### Over My Head (Cable Car) by The Fray

(1) knew	Over my head, over my head
never knew (2) everything was falling through	With eight seconds left in overtime
That (3) I knew was waiting on a queue	She's on (7) mind, she's on (oh)
o turn and run when all I needed was the truth	Suddenly, I become a part of your past
But that's how it's gotta be	I'm becoming the part that don't last
t's coming down to nothing more than apathy	I'm losing you and it's effortless
d rather run the other way than stay and see	Without a sound
The (4) and who's still standing when it clears	We lose sight of the ground in the throw around
and	Never thought that you wanted to bring it down
Everyone knows I'm in	I won't let it go down 'till we torch it ourselves and
Over my head, over my head	Everyone knows I'm in over my head
Nith eight seconds left in overtime	Over my head
She's on your mind, she's on your mind	With eight seconds left in overtime
Let's rearrange	She's on your mind, she's on your mind
(5) you were a stranger I could disengage	Everyone knows
lust say that we agree and then never change	That she's on your mind
Soften a bit until we all (6) get along	Everyone knows I'm in over my head
That's disregard	I'm in (8) my head, I'm over my
Find another friend and you discard	Everyone knows I'm in
As you lose the argument in the cable car	Over my head, over my head
Hanging above as the canyon comes between and	With eight seconds left in overtime
Everyone knows I'm in	She's on your mind, she's on your mind
Over my head, over my head	
Nith eight seconds left in overtime
