Fill in the gaps

Tomorrow Never Dies by Sheryl Crow

Darling I'm killed	But you bet your life
I'm in puddle on the floor	Every night
Waiting for you to return	While you chase every morning die
(Oh) What a trill	You're not the only spy out there
Vacillations good lord	It's so deadly my dear
How to tease	The power of (6) you near
How you leave me to burn	Until the day
It's so deadly my dear	Until the world falls away
The power of wanting you near	Until you say there will no more goodbyes
Until the day	I see it in (7) eyes
Until the world (1) away	Tomorrow never dies
Until you say there will no more goodbyes	Until the day
I see it in (2) eyes	Until the world (8) away
Tomorrow (3) dies	Until you say there will no (9) goodbyes
Darling you won	I see it in your eyes
It's no fun	
Martinis, (4) and guns	
It's murder on our (5) affair
