

## Fill in the gaps

So close no matter how far
couldn't be much more from the heart
forever (1) who we are
and nothing (2) matters
never opened myself this way
life is ours, we live it our way
all these words I don't just say
and nothing else matters
trust I seek and I find in you
every day for us something new
open mind for a different view
and nothing else matters
never cared for what they do
never cared for (3) they know
but I know
so close no matter how far
couldn't be much more from the heart
forever trusting who we are
and nothing (4) matters
never cared for what they do
never cared for what they know

but I know	
never opened myself this way	
life is ours, we live it our way	
all these words I don't just say	
trust I seek and I (5) in you	
every day for us (6)	new
open mind for a different view	
and nothing else matters	
never cared for (7) they say	
never cared for games (8) play	
never (9) for what they do	
never cared for what they know	
and I know	
so close no matter how far	
couldn't be much more from the heart	
forever trusting who we are	
no nothing else matters
