

Fill in the gaps

Really Don't Care (Live) by Demi Lovato

	Now if we meet out on the street
You wanna stay, you wanna play	I won't be running scared
You wanna have it all	I'll walk (16) up to you
You (1) with my head	And put one (17) in the air
Until I hit a wall	And (18) you understand
Maybe I should've known	And make you understand
Maybe I should've known	You had your chance, had your chance
That you (3) walk	But even if the stars and moon collide
You would walk out the door (hey)	I never want you back into my life
Said we were done	You can (19) your words and all your lies
And met someone and rubbed it in my face	(Oh, oh, oh)
Cut to the part she broke your heart	I really don't care
And then she ran away	Even if the stars and moon collide
I (4) you (5) known	I (20) want you (21) into my life
I guess you (6) known	You can take your words and all your lies
That I (7) talk, I would talk	(Oh, oh, oh)
But (8) if the stars and moon collide	I (22) don't care
I never want you back into my life	(Oh, oh, oh)
You can take your words and all (9) lies	I really don't care
(Oh, oh, oh)	Hey, hey never look back
I really don't care	Dumbstruck boy, ego intact
But even if the stars and moon collide	Look boy, why you so mad
I never want you back into my life	Second (23) him, but (24) hit
You can take your words and all (10) lies	that
(Oh, oh, oh)	But even if the stars and moon collide
I really don't care	I never want you back into my life
(Oh, oh, oh)	You can take your words and all (25) lies
I really don't care	(Oh, oh, oh)
I (11) believe	I really don't care
I (12) up writing songs about	Even if the stars and moon collide
you	I never (26) you back into my life
You don't deserve to know	You can take your (27) and all your lies
The way I (14) to think about you	(Oh, oh, oh)
(Oh) no, not anymore	I really don't care
(Oh) no, not anymore	(Oh, oh, oh)
You had your shot	I really don't care
Had (15) shot	
But you (let go)
