

And I'm trying to change your mind

Why'd You Only Call Me When You're High by Arctic Monkeys

(this week)	Left you multiple missed calls
(How many secrets can you keep)	And to my message, you reply
('Cause there's this tune I've found)	Why'd you only call me when you're high
(That (1) me think of you somehow)	High
(And I (2) it on repeat)	Why'd you (13) (14) me when you're
(Until I (3) asleep)	high
(Spilling drinks on my settee)	Somewhere darker
(Do I wanna know)	Talking the same shite
(If this feeling flows both ways)	I need a partner (high)
(Sad to see you go)	Well, are you out tonight
(Sort of hoping that you'd stay)	It's (15) and harder to get you to listen
(Baby we (4) know)	More I get (16) the gears
(That the nights (5) mainly made)	Incapable of making alright decisons
(For saying things that you can't say tomorrow day)	And having bad ideas
(Crawling back to you)	Now it's (17) in the morning
(Ever thought of calling when)	And I'm trying to change (18) mind
(You've had a few)	Left you multiple missed calls
('Cause I (6) do)	And to my message, you reply (message you reply)
(to fall for somebody new)	Why'd you only call me when you're high
(Crawling back to you)	(Why'd you (19) call me when you're)
(Crawling (7) to you)	High
(So have you got the guts)	Why'd you only call me when you're high
(Been wondering if (8) heart's still open)	And I can't see you here wondering where I might
(And if so I wanna (9) what time it shuts)	It sort of feels (20) I'm running out of time
(Crawling back)	I haven't found (21) I was hoping to find
The mirror's image	You said you gotta be up in the morning
Tells me it's home time	Gonna have an (22) night
But I'm not finished	And you're starting to bore me, baby
'Cause you're not by my side	Why'd you only (23) me when you're high
And as I (10) I thought I saw you leaving	Why'd you only ever (24) me when you're high
Carrying your shoes	Why'd you only ever phone me when you're high
Decided that (11) (12) I was just	Why'd you only ever phone me when you're high
dreaming	Why'd you only ever phone me when you're
Of bumping into you	High
Now it's three in the morning
