

Fill in the gaps

Lately I've been seeing things	But you don't want it now
Belly (1) piercings	Now it's getting dark and the sky looks sticky
In the sky at night	More like black treacle than tar
When we're (2) by side	Black treacle
And I don't mean to rain	Somebody (14) the stars
On anybody's cabriolet	You're not (15) out tonight
One of those games you're (3) to lose	And so they found a (16) to hide
But you (4) to play it just in case	And now I'm out of place
Now it's getting dark and the sky looks sticky	And I'm not getting any wiser
More like black (5) than tar	I feel like the sundance kid
Black treacle	Behind a synthesizer
Somebody (6) the stars	And I (17) last (18) to
You're not (7) out tonight	(19) away a laugh
And so they found a (8) to hide	Like a key (20) the mat
Does it (9) you (10) up late?	But it never seems to be there
Does it help you concentrate?	When you (21) it
Does it tune you in when you (11) your chin?	Black treacle
Am I (12) your fun?	Black treacle
And you talk the talk alright	Black treacle
But do you (13) the walk or catch the train?	
You wanted it, you got it
