

## Fill in the gaps

Ripped Jeans, only drinks whiskey	She don't know (6) she has so I'll be
I find him by the fire	Sittin' here, tryin' hold down my whiskey
While his girl was getting frisky (oh)	Tell your girl good night
I say we go this road tonight	'Cause somebody'd like to kiss me (oh)
He smiles, his arms around her	Be my All-American boy tonight
But his eyes are holdin' me	Where everyday's the 4th of July
Or just a captive to his wonder (oh)	It's alright, alright
I say we go this road tonight	And we can keep this up 'til the morning light
And now I know that that's your girl	And you can hold me (7) in your eyes
I mean no disrespect	And it's alright, alright
The way (1) shirt hugs you chest boy	So be my, be my
I just won't forget	All-American boy
I'll be sittin' here, drinking my whiskey	Of all the girls and boys to look my way
I won't say goodnight	Ain't nobody (8) hit me this way
Unless I think you might (2) me (oh)	So won't you come back with me
Be my All-American boy tonight	And lay with me a while
Where everyday's the 4th of July	I'm gonna wrestle you out of them clothes
And it's alright, alright	Leave that beautiful body exposed
And we can keep this up 'til the morning light	And you can have my heart
And you can hold me deep in your eyes	And my soul and my body
It's alright, alright	(Oh) be mine
So be my, be my	
All-American boy	Be my All-American boy tonight
Ripped jeans, tight shirt	Baby you light my fire
He lights a cigarette	I'll (9) you feel alright, alright
You know I'm glad that she can't stand it (oh)	And we can keep this up 'til the morning light
I drink the moonlight from his eyes	And you can hold me deep in your eyes
Now (3) there, (4) a moment	And it's alright, alright
I want to take this in now	So, be my, be my
We don't need no photo of it, no	Just be my, be my
We should go this road tonight	All-American boy
Now I know that that's your girl	
And I don't give a damn	
She's (5) cursin' and cryin'
