Love The Way You Lie by Eminem

Fill in the gaps

Just gonna (1) there
And watch me burn
But that's alright
Because I like
The way it hurts
Just gonna stand there
And hear me cry
But that's alright
Because I love
The way you lie
I love the way you lie
I love the way you lie
I can't tell you what it really is
I can only tell you what it feels like
And right now there's a steel knife
In my windpipe
I can't breathe
But I still fight
While I can fight
As long as the wrong feels right
It's like I'm in flight
High of a love
Drunk from the hate
It's like I'm huffing paint
And I love it the more that I suffer
I sufficate
And right before im about to drown
She resuscitates me

She fucking hates me

Wait Where you going I'm (2)_____ you No you ain't Come back We're running right back Here we go again It's so insane Cause when it's (3)_____ good It's (4)_____ great I'm Superman With the (5)_____ in his bag She's Lois Lane But when it's bad It's awful I feel so ashamed I snap Who's that dude I don't even know his name I laid hands on her I'll never stoop so low again I guess I don't know my own strength Just gonna stand there And watch me burn But that's alright Because I like

The way it hurts

And hear me cry

Just gonna stand there

But that's alright
Because I love
The way you lie
I love the way you lie
I love the way you lie
You ever love somebody so much
You can barely breathe
When you're with them
You meet
And neither one of you
Even know what hit 'em
Got that warm fuzzy feeling
Yeah them chills
Used to get 'em
Now you're getting fucking sick
Of looking at 'em
You swore you've never hit 'em
Never do nothing to (6) 'em
Now you're in each other's face
Spewing venom
And these words
When you spit 'em
You push
Pull each other's hair
Scratch, claw, bit 'em
Throw 'em down
Pin 'em
So lost in the moments
When you're in 'em

It's the rage that took over

It controls you both
So they say it's best
To go your separate ways
Guess that they don't know ya
Cause today
That was yesterday
Yesterday is over
It's a different day
Sound like broken records
Playin' over
But you promised her
Next time you'll show restraint
You don't get another chance
Life is no Nintendo game
But you lied again
Now you get to watch her leave
Out the window
Guess that's why they call it window pane
Just gonna stand there
And watch me burn
But that's alright
Because I like
The way it hurts
Just (7) stand there
And hear me cry
But that's alright
Because I love

The way you lie

I love the way you lie

I love the way you lie

Now I know we said things
Did things
That we didn't mean
And we fall back
Into the same patterns
Same routine
But your temper's just as bad
As mine is
You're the same as me
But when it comes to love
You're just as blinded
Baby (8) come back
It wasn't you
Baby it was me
Maybe our relationship
Isn't as crazy as it seems
Maybe that's what happens
When a (9) meets a volcano
All I know is
I love you too much
To walk away though
Come inside
Pick up (10) bags off the sidewalk
Don't you hear sincerity
In my voice when I talk
Told you this is my fault
Look me in the eyeball
Next time I'm pissed

I'll aim my fist

At the dry wall

There will be no next time

I apologize

Even though I know it's lies

I'm tired of the games

I just want her back

I know I'm a liar

If she ever tries to fucking leave again

I'mma tie her to the bed

And set the house on fire

Just gonna stand there

And watch me burn

But that's alright

Because I like

The way it hurts

Just gonna stand there

And hear me cry

But that's alright

Because I love

The way you lie

I love the way you lie

I love the way you lie
