

Fill in the gaps

Love The Way You Lie by Eminem

Just gonna stand there

And (1)_____ me burn

But that's alright

Because I like

The way it hurts

Just gonna stand there

And (2)_____ me cry

But that's alright

Because I love

The way you lie

I love the way you lie

I (3)_____ the way you lie

I can't tell you what it really is

I can (4)_____ tell you what it feels like

And right now there's a steel knife

In my windpipe

I can't breathe

But I still fight

While I can fight

As long as the wrong feels right

It's like I'm in flight

High of a love

Drunk from the hate

It's like I'm huffing paint

And I love it the (5)_____ that I suffer

I suffocate

And right (6)_____ im about to drown

She (7)_____ me

She fucking hates me

Fill in the gaps

And I love it

Wait

Where you going

I'm leaving you

No you ain't

Come back

We're (8)_____ right back

Here we go again

It's so insane

Cause when it's going good

It's going great

I'm Superman

With the wind in his bag

She's (9)_____ Lane

But when it's bad

It's awful

I feel so ashamed

I snap

Who's (10)_____ dude

I don't even (11)_____ his name

I laid (12)_____ on her

I'll never stoop so low again

I guess I don't know my own strength

Just gonna stand there

And watch me burn

But that's alright

Because I like

The way it hurts

Just gonna stand there

And hear me cry

Fill in the gaps

But that's alright

Because I love

The way you lie

I love the way you lie

I love the way you lie

You (13)_____ love somebody so much

You can barely breathe

When you're with them

You meet

And neither one of you

Even know what hit 'em

Got that warm fuzzy feeling

Yeah (14)_____ chills

Used to get 'em

Now you're getting fucking sick

Of looking at 'em

You (15)_____ you've never hit 'em

Never do nothing to hurt 'em

Now you're in each other's face

Spewing venom

And these words

When you spit 'em

You push

Pull each other's hair

Scratch, claw, bit 'em

Throw 'em down

Pin 'em

So lost in the moments

When you're in 'em

It's the rage that took over

Fill in the gaps

It (16)_____ you both

So they say it's best

To go your separate ways

Guess (17)_____ they don't know ya

Cause today

That was yesterday

Yesterday is over

It's a different day

Sound like broken records

Playin' over

But you promised her

Next time you'll show restraint

You don't get another chance

Life is no Nintendo game

But you lied again

Now you get to watch her leave

Out the window

Guess that's why (18)_____ call it window pane

Just gonna stand there

And watch me burn

But that's alright

Because I like

The way it hurts

Just gonna stand there

And hear me cry

But that's alright

Because I love

The way you lie

I love the way you lie

I (19)_____ the way you lie

Fill in the gaps

Now I (20)_____ we said things

Did things

That we didn't mean

And we fall back

Into the same patterns

Same routine

But your temper's just as bad

As mine is

You're the same as me

But when it (21)_____ to love

You're just as blinded

Baby (22)_____ come back

It wasn't you

Baby it was me

Maybe our relationship

Isn't as crazy as it seems

Maybe that's what happens

When a tornado (23)_____ a volcano

All I know is

I love you too much

To walk away though

Come inside

Pick up your bags off the sidewalk

Don't you hear sincerity

In my voice when I talk

Told you this is my fault

Look me in the eyeball

Next time I'm pissed

I'll aim my fist

At the dry wall

Fill in the gaps

Next time

There will be no next time

I apologize

Even though I (24)_____ it's lies

I'm tired of the games

I (25)_____ want her back

I know I'm a liar

If she (26)_____ tries to fucking leave again

I'mma tie her to the bed

And set the house on fire

Just gonna stand there

And (27)_____ me burn

But that's alright

Because I like

The way it hurts

Just gonna (28)_____ there

And hear me cry

But that's alright

Because I love

The way you lie

I love the way you lie

I love the way you lie

Fill in the gaps

Answer

1. watch
2. hear
3. love
4. only
5. more
6. before
7. resuscitates
8. running
9. Lois
10. that
11. know
12. hands
13. ever
14. them
15. swore
16. controls
