## R U Mine? by Arctic Monkeys

## Fill in the gaps

	Well, are you mine?
I'm a puppet on a string	(Are you mine tomorrow?)
Tracy Island, time-traveling diamond	Are you mine?
Coulda (1) heartaches	(Or just mine tonight?)
Come to find ya (2) in some velvet morning	Are you mine?
Years too late	(Are you mine? Mine?)
She's a silver lining lone ranger riding	And the thrill of the chase moves in mysterious ways
Through an open space	So in case I'm mistaken
In my mind when she's not right there beside me	I just wanna hear you say you got me baby
I go crazy 'cause here isn't (3) I wanna be	Are you mine?
And satisfaction feels like a distant memory	She's a silver lining lone ranger riding
And I can't help myself	Through an open space
All I wanna (4) her say is "Are you mine?"	In my mind when she's not right there beside me
Well, are you mine?	I go (8) 'cause here isn't where I (9)
Are you mine?	be
Are you mine?	And satisfaction feels like a distant memory
	And I can't help myself
I guess what I'm trying to say	All I wanna hear her say is "Are you mine?"
Is I need the deep end keep imagining meeting	Well, are you mine?
Wished away (5) lifetimes	(Are you mine tomorrow?)
Unfair we're not somewhere misbehaving for days	Are you mine?
Great (6) lost (7) of time and	(Or just mine tonight?)
space	Are you mine?
She's a silver lining climbing on my desire	(Are you (10) tomorrow)
And I go crazy 'cause here isn't where I wanna be	(Or just mine tonight?)
And satisfaction feels like a distant memory	
And I can't help myself	
All I wanna hear her say is "Are you mine?"
