

Fill in the gaps

The View From The Afternoon by Arctic Monkeys

Anticipation has a (1) to set you up	And there's verse and chapter sat in her inbox
For disappointment in evening entertainment but	And all that it (12) is that you've (13)
Tonight there'll be some love	a lot
Tonight there'll be a ruckus yeah	You should (14) that in mind tonight
Regardless of what's (2) before	Bear that in mind
want to see all of the things	Yeah you (15) (16) (17)
That we've already seen	in mind tonight
The lairy (3) hung out	Bear that in mind
The window of the limousine	You can pour your heart out
And of course its fancy dress	But her reasoning will block
And they're all looking quite full on	Ought you send her after nine o'clock
n bunny (4) and (5) horns in hell	Anticipation has a habit to set you up
Anticipation has a habit to set you up	For disappointment in evening
For disappointment in (6) entertainment but	(18) but
Tonight there'll be some love	Tonight there'll be some love
Tonight there'll be a (7) yeah	Tonight there'll be a ruckus yeah
Regardless of what's gone before	Regardless of what's gone before
(8) to see all of the things	And she won't be surprised
That we've (9) seen	And she won't be shocked
want to see you take the jackpot	When she's pressed the star
Out the fruit machine	After she's pressed unlock
And put it all back in	And there's verse and chapter sat in her inbox
You've got to understand it	And all that it says is (19) you've drank a lot
You can (10) (11) the bandit, no	You should bear (20) in mind tonight
And she won't be surprised	Bear (21) in mind
And she won't be shocked	Yeah you should (22) that in mind tonight
When she's pressed the star	Bear (23) in mind
After she's pressed unlock	You can pour your heart out around 3 o clock
	When the 2 for 1's (24) the writers block
