The View From The Afternoon by Arctic Monkeys

Anticipation has a habit to set you up	And there's verse and chapter sat in her inbox
For disappointment in evening entertainment but	And all that it says is that you've drank a lot
Tonight there'll be some love	You should bear that in mind tonight
Tonight there'll be a ruckus yeah	Bear that in mind
Regardless of what's gone before	Yeah you should bear (4) in mind tonigh
I want to see all of the things	Bear that in mind
That we've already seen	You can pour your heart out
The lairy girls hung out	But her reasoning (5) block
The window of the limousine	Ought you (6) her after nine o'clock
And of course its fancy dress	Anticipation has a habit to set you up
And they're all (1) quite full on	For disappointment in evening entertainment but
In bunny ears and devil horns in hell	Tonight (7) be some love
Anticipation has a habit to set you up	Tonight there'll be a ruckus yeah
For disappointment in evening entertainment but	Regardless of what's gone before
Tonight there'll be some love	And she won't be surprised
Tonight there'll be a ruckus yeah	And she won't be shocked
Regardless of what's gone before	When she's pressed the star
I want to see all of the things	After she's pressed unlock
That we've already seen	And there's verse and chapter sat in her inbox
I want to see you take the jackpot	And all that it says is that you've drank a lot
Out the fruit machine	You should bear that in mind tonight
And put it all back in	Bear that in mind
You've got to (2) it	Yeah you should bear that in (8) tonight
You can never beat the bandit, no	Bear that in mind
And she won't be surprised	You can pour your heart out around 3 o clock
And she won't be shocked	When the 2 for 1's undone the writers block
When she's (3) the star
