I'm American made	Everybody's looking for a way
But I like Chevrolet	To get real gone
My mama taught me wrong from right	Real gone
I was born in the South	Real gone
Sometimes I have a big mouth	Real gone
When I see something (1) I don't like	(Uh)
I gotta say it	Well you can say what you want
We've (2) (3) this road	But you can't say it (13) here
For a mighty (4) time	'Cause they'll (14) you and give you a whipping
Paying no (5) to the signs	Well, I (15) I was right
Well, (6) neighborhood's changed	When I said you were wrong
It's all been rearranged	You didn't like the sound of that
We left that team somewhere behind	Now, did you
Slow down	Slow down
You're gonna crash	You're gonna crash
Baby you're a screaming	Baby you're a screaming
It's a blast, blast, blast	It's a blast, blast, blast
Look out babe, you've got (7) blinders on	Look out, you've got (16) (17)
Everybody's (8) for a way to get	on
(9) gone	Everybody's looking for a way to get (18) gone
Real gone	Well, here I come
Real gone	And I'm so not scared
But there's a new cat in town	Got my pedal to the metal
He's got high-faded friends	Got my (19) in the air
Thinks he's gonna change history	Look out, you take (20) blinders off
You (10) you know him so well	Everybody's looking for a way to get real gone
Yeah, you think he's so swell	Real gone
But he's just (11) prophecy	Real gone
Come on now	(Uh)
