

Fill in the gaps

| | Raise (3) head |
|--|--|
| In my hour of need | Raise your face, your eyes |
| (Ha) no, you're not there | Tell me who you (4) you are? |
| And though I reached out for you | I walk, I walk alone |
| Wouldn't lend a hand | Into the promised land |
| Through the darkest hour | There's a better place for me |
| Grace did not (1) on me | But it's far, far away |
| Feels so cold, very cold | Everlasting life for me |
| No one cares for me | In a (5) world |
| Did you (2) think I get lonely? | But I gotta die first |
| Did you ever think that I needed love? | Please God send me on my way |
| Did you ever think to stop thinking? | Time has a way of taking time |
| You're the only one that I'm thinking of | Loneliness is not only felt by fools |
| You'll never know how hard I tried | Alone I call to (6) the pain |
| To find my space and satisfy you too | Yearning to be held by you |
| Things will be better, better | Alone so alone I'm lost |
| When I'm dead and gone | Consumed by the pain |
| Don't try to understand, knowing you | The pain, the pain |
| I'm probably wrong | Won't you hold me again |
| But (oh) | You just laughed, ha, ha, bitch |
| How I lived my life for you? | My (7) (8) is work built on the past |
| Still you'd turn away | But the time has come when all things shall pass |
| Now as I die for you | This good thing passed away |
| My flesh still crawls as I breathe your name | |
| All these years I thought I was wrong | |
| Now I know it was you | |
