In My Darkest Hour by Megadeth

Now I know it was you

Fill in the gaps

Raise your head

In my hour of need	Raise your face, your eyes
(Ha) no, you're not there	Tell me who you think you are?
And though I reached out for you	I walk, I walk alone
Wouldn't lend a hand	Into the promised land
Through the darkest hour	There's a (5) (6) for me
Grace did not shine on me	But it's far, far away
Feels so cold, very cold	Everlasting life for me
No one cares for me	In a perfect world
Did you ever (1) I get lonely?	But I gotta die first
Did you ever think that I needed love?	Please God send me on my way
Did you ever think to stop thinking?	Time has a way of taking time
You're the only one that I'm thinking of	Loneliness is not (7) felt by fools
You'll never know how hard I tried	Alone I call to (8) the pain
To find my space and satisfy you too	Yearning to be (9) by you
Things will be better, better	Alone so alone I'm lost
When I'm dead and gone	Consumed by the pain
Don't try to understand, knowing you	The pain, the pain, the pain
I'm probably wrong	Won't you hold me again
But (oh)	You just laughed, ha, ha, bitch
How I lived my life for you?	My whole life is work built on the past
Still you'd (2) away	But the time has (10) when all things shall pa
Now as I die for you	This good thing passed away
My (3) still crawls as I (4)	
your name	
All these years I thought I was wrong
