## Fill in the gaps

When you feel	Just like a super collider (like a super collider)
Life is (1) you down	Just one thing
And you see	That I want you to know
That you're all alone	You don't need
When your friends	To be on your own
They have all run out	No more feeling
That is when	Left out in the cold
You will know I'm the one	Take my hand
On the high road (on the high road)	And I'll take you home
I will take you higher (I will (2) you higher)	On the high road (on the high road)
'Til the world (3) ('til the world explodes)	I will take you higher (I will (7) you higher)
Just like a super collider (like a (4) collider)	'Til the world explodes ('til the world explodes)
This could be	Just like a super (8) (like a super
All the heaven you'll see	collider)
Life can be	On the high road (on the (9) road)
Wicked mean and cold	I will take you higher (I will take you higher)
Could this be	'Til the world explodes ('til the world explodes)
The end of your living hell	Just like a super collider (super collider yeah)

And I'll free your soul (hooah)	I will take you higher (like a super collider)
On the high road (on the high road)	'Til the world explodes (like a super collider)
