Die Alive by Tarja Turunen

Fill in the gaps

Open up the night
Led by just a feeling
All around is light
Everything is healing
No more fate and no (1) mystery
Even as (2) (3) away
l live my days
Every moment and its memory
Not only to (4) to die alive
Overwhelming love
Heaven's just a feeling
Singing in my blood
Keeping me from kneeling
No more fate and no more mystery
Even as time falls away
l live my days
Every moment and its memory
Not only to survive to die alive
Die alive
No more (5) and no (6) mystery
Even as (7) falls away
l live my days
Every (8) and its memory
Not only to survive to die alive
