Die Alive by Tarja Turunen

Fill in the gaps

Open up the night
Led by (1) a feeling
All around is light
Everything is healing
No more (2) and no (3) mystery
Even as (4) falls away
I live my days
Every (5) and its memory
Not only to survive to die alive
Overwhelming love
Heaven's (6) a feeling
Singing in my blood
Keeping me from kneeling
No more fate and no more mystery
Even as time falls away
I (7) my days
Every moment and its memory
Not only to (8) to die alive
Die alive
No more (9) and no more mystery
Even as time falls away
I live my days
Every moment and its memory
Not only to survive to die alive
