

Tryin' to find it

Fill in the gaps

So I got my boots on	But if I had you
Got the right amount of leather	That would be the only thing I'd ever need
And I'm doing me up	Yeah, if I had you
With a black kohl eyeliner	Then money fame and fortune never could compete
And I'm working my strut	If I had you
But I know it don't matter	Life would be a party, (4) be ecstasy
All we (1) in this world is some love	Yeah if I had you
There's a thin line	You, you, you
Between the dark side	If I had
And the light side	The (5) of the lights
Baby tonight	It might feel so good
It's a struggle	But I got you stuck on my mind
Gotta rumble	Yeah
Tryin' to find it	The flashing and the stage
But I had you	It might get me high
That would be the only thing I'd ever need	But it don't mean a thing tonight
Yeah, if I had you	That would be the only thing I'd (6) need
Then money fame and fortune never could compete	Yeah, if I had you
If I had you	Then money fame and (7) never could
Life would be a party, it'd be ecstasy	compete
Yeah, if I had you	If I had you
You, you, you	Life would be a party it'd be ecstasy
If I had you (if I had you)	Yeah, If I had you
From New York to LA	You, you, you
Getting high rock and rolling	If I had you
Get a room trash it up	That would be the only thing I'd ever need
'Til it's ten in the morning	Yeah, If I had you
Girls in stripper heels boys	Then money fame and fortune never could compete
Rolling in Maserati's	(Never could compete with you)
What they (2) in (3) world is some love	If I had you
There's a thin line	Life (8) be a party it'd be ecstasy
Between the wild time	(It'd be ecstasy with you)
And a flat-line baby tonight	If I had you
It's a struggle	You, you, you
Gotta rumble	If I had you
