

## Fill in the gaps

Freedom's just a (1) today		Peace was just a phase	
Freedom's just a word		When (8)	put it on a shi
When someone takes (2) (3)	_ away	She nearly killed the days	
's seldom ever heard		So take those fingers tape 'em up	
So (4) a sentence full of things		And shove 'em up (9) ***	
You're not supposed to say		And carry on	
Carry on		Don't try it now	
But don't (5) 'em down		'Cause peace is gone	
Or you'll be gone		All we ever do is talk	
Love is just a song today		We like to ride	
Love is just a song		But we never walk	
When someone takes the song away		We make it so damn easy	
You'll seldom sing along		We get bored	
So take those lyrics serious		Why can't anybody see	
And sing your (6) away		What's good for you is bad for me	
Carry on		I can't take your silly world	
Don't write 'em down		I can't take your silly world no more	
Or they'll be gone		We fight our instincts	
All we ever do is talk		We go to extremes	
We (7) to ride, but we never walk		(We fall apart)	
We make it so damn easy		(We fall apart)	
We get bored		(We fall apart)	
Why can't anybody see		(We (10) apart)	
What's good for you is good for me?		(We fall apart)	
I can't take your silly world		(We fall apart)	
I can't take your silly world no more			
Peace is just two fingers now
