Waste Of Time by Eliza Doolittle

Fill in the gaps

| What a (1) of time | But you give it to me anyway |
|--|---|
| Precious little time | What a waste of time |
| But I'll waste some of yours babe | Precious little time |
| If you waste some of mine | But I'll waste some of yours babe |
| What a waste of time | If you (6) some of mine |
| Precious (2) time | What a waste of time |
| But I'll waste (3) of yours babe | Precious little time |
| If you waste some of mine | But I'll waste some of yours babe |
| There's a moment that feels like a-nothing | If you waste some of mine |
| Until it's passed away | 'Cause I (7) what I got |
| There's a glow and it won't last forever | And it's setting me free |
| Think about it every day | Anything that you want then I'm happy to be |
| I don't know what you see in me | 'Cause if I don't have your face |
| I don't (4) why you stay | Then there's nothing to see |
| 'Cause you don't owe me nothing | So baby please don't leave me |
| But you give it to me anyway | Baby please don't leave me |
| What a waste of time | Baby never never never leave me |
| Precious little time | |
| But I'll waste some of yours babe | Yeah yeah yeah |
| If you waste some of mine | Yeah yeah yeah |
| What a waste of time | Yeah yeah yeah yeah yeah |
| Precious little time | What a waste of time |
| But I'll waste some of yours babe | Precious (8) time |
| If you waste some of mine | But I'll waste some of yours babe |
| So you think that it's not really working | If you waste some of mine |
| Well darling look again | What a waste of time |
| It's imperfect and that's why it's perfect | Precious little time |
| Other colours are so plain | But I'll (9) some of (10) babe |
| You don't always see the best in me | If you waste some of mine |
| And I don't know (5) to say | |
| 'Cause you don't owe me nothing | |
