

Fill in the gaps

What a (1) of time	But you give it to me anyway
Precious (2) time	What a waste of time
But I'll waste some of (3) babe	Precious little time
If you waste some of mine	But I'll (13) some of yours babe
What a waste of time	If you waste (14) of mine
Precious little time	What a waste of time
But I'll waste (4) of (5) babe	Precious little time
If you waste some of mine	But I'll waste some of yours babe
There's a moment (6) feels like a-nothing	If you (15) (16) of mine
Until it's passed away	'Cause I know what I got
There's a (7) and it won't last forever	And it's setting me free
Think about it every day	Anything that you want (17) I'm happy to be
I don't know what you see in me	'Cause if I don't have your face
I don't (8) why you stay	Then there's nothing to see
'Cause you don't owe me nothing	So baby (18) don't leave me
But you (9) it to me anyway	Baby please don't leave me
What a waste of time	Baby never (19) never never leave me
Precious (10) time	
But I'll waste some of (11) babe	Yeah yeah yeah
If you waste some of mine	Yeah yeah yeah
What a waste of time	Yeah yeah yeah yeah yeah
Precious little time	What a waste of time
But I'll (12) some of yours babe	Precious (20) time
If you waste some of mine	But I'll (21) some of (22) babe
So you think that it's not really working	If you waste some of mine
Well darling look again	What a (23) of time
It's imperfect and that's why it's perfect	Precious (24) time
Other colours are so plain	But I'll waste some of (25) babe
You don't always see the best in me	If you waste some of mine
And I don't know what to say	
'Cause you don't owe me nothing
