

Fill in the gaps

I've tried to let it go	You, me, (18) as can be
But these butterflies I can't ignore	Want to be more than your company
'Cause every time that I (1) at you	So bet your money on me
Know we're in a (2) twenty-two	I'm gold, gold
We've been friends for so (3) but I	(Na ra ta la la)
Need to tell you what's on my mind	I'm gold, gold
I'm sick and (4) of playing games	(Na ra ta la la)
'Cause I know that you feel the same	I'm gold, gold
I know you (5) out, so I'm asking now	Been to cool just to tell you (19) out
Take a chance on me	But by now
How much clearer can I be?	I (20) you figured it out
Hey, boy, (6) do?	I wish you (21) it out
If you (8) me like I (9) you	I wish you figured it out
Then man up and (10) your move	I (22) ya
I'm gold, gold	You're not a fool
You, me, good as can be	You see (23) I'm about
Want to be more than your company	So by now I think you (24) it out
So bet your money on me	I think you figured it out
I'm gold, gold	I think you figured it out
Do I really need to spell it out?	I think ya
My hearts (11) when you're around	(Hey) Hey, boy watcha gonna do?
I got everything (12) you need	If you want me like I (25) you
So come on baby get close to me	Then man up and (26) your move
So confused and I'm not surprised	I'm gold, gold
From (13) to girl, I've seen you roll dice	You, me good as can be
Know all your moves don't (14) why I fall	Want to be more than your company
Should put me off, but want it all	So bet your (27) on me
I (15) you (16) out, so I'm asking	I'm gold, gold
now	(Na ra ta la la)
Take a chance on me	I'm gold, gold
How much clearer can I be?	(Na ra ta la la)
Hey, boy watcha gonna do?	I'm gold, gold
If you (17) me like I want you	
Then man up and make your move	
I'm gold, gold
