Like (2) does	Too much to ask for
Forget (4) your friends	Really so tough
They don't care where we go	Find yourself moving
If they do	With the sex in the drums
We'll get lost in a crowd of people	Got my hands full

Either you're coming with me	And my (20) comes on
Or I'm (9) with you	And the club goes nuts
'Cause I finally found	Everytime the side goes
I finally (10) you	City I sleep best that all know
You'll never have to worry if I what I say is true	Running around and doing all (21) shows
Girl I've been looking for you	Round the whole globe
And (11) I saw you I knew	And come, and you go girl
