

Fill in the gaps

Too Close by Maddi Jane & CJ Holland

You know I'm not one to break promises	There's (7) I can really say
I don't (1) to	I can't lie no more, I can't hide no more
breathe	Got to be (8) to myself
At the end of it all, you're still my best friend	And it feels like I am just too (9) to love you
But there's (3) inside that I need to	So I'll be on my way
release	I'll be on my way
	I'll be on my way
Which way is right, which way is wrong	(Hmm oh oh oh)
How do I say that I need to move on	I'll be on my way
You know we're heading is separate ways	I'll be on my way
And it feels like I am just too close to love you	You know I'm not one to break promises
There's nothing I can really say	I don't (10) hurt you
I can't lie no more, I can't hide no more	And it feels like I am (11) too close to love you
Got to be true to myself	There's (12) I can really say
And it feels like I am (4) too close to love you	I can't lie no more, I can't hide no more
So I'll be on my way	Got to be (13) to myself
You're giving me more that I can return	And it feels like I am (14) too close to love you
Yet there's (oh) so much that you deserve	So I'll be on my way
Nothing to say, nothing to do	
I've (5) to give, I must leave without you	
You know we're heading separate ways	
And it fools like Lamijust too close to (6)
