

Fill in the gaps

Too Close by Maddi Jane & CJ Holland

You know I'm not one to break promises	There's nothing I can really say
I don't wanna hurt you but I need to breathe	I can't lie no more, I can't hide no more
At the end of it all, you're still my best friend	Got to be true to myself
But there's something (1) that I need to	And it (5) to
release	(7) you
	So I'll be on my way
Which way is right, which way is wrong	I'll be on my way
How do I say that I need to move on	I'll be on my way
You know we're heading is separate ways	(Hmm oh oh oh)
And it feels like I am just too close to love you	I'll be on my way
There's nothing I can really say	I'll be on my way
I can't lie no more, I can't hide no more	You know I'm not one to break promises
Got to be true to myself	I don't wanna hurt you
And it feels like I am just too close to love you	And it (8) (9) I am just too close to
So I'll be on my way	love you
You're giving me more that I can return	There's nothing I can really say
Yet there's (oh) so much that you deserve	I can't lie no more, I can't hide no more
Nothing to say, nothing to do	Got to be true to myself
I've (2) to give, I must leave	And it feels like I am just too close to love you
(3) you	So I'll be on my way
You know we're heading separate ways	
And it feels (4) I am just too close to love you
