

Nothing they can do to stop this army of two

We're marching to the future Yeah it's me and you

## Fill in the gaps

Yeah	Soldiers, (4) my lead
I came, I saw	Repeat after me
Tore down these walls	Our faith is the bullet, hope is the gun
Blocked one way, I found another	Love is all we need
You know you'll (1) be discovered	Now our fear's on the run
If it's me, you choose	We've already won
I can't lose	Now march with the band
I'm in love with you if you love me too	And raise your right hand
Yeah	We've only just begun
Don't ever change and I'll stay the same	Only just begun
We'll be swimming in the same direction	So don't ever change
We'll never lose this connection	And I'll stay the same
Nothing they can do to stop this army of two	We'll be swimming in the same direction
We're marching to the future	We'll never (5) this connection
Yeah it's me and you	Nothing they can do to stop (6) army of two
Soldiers, follow my lead	'Cause we're marching to the future
Repeat after me	Yeah it's me and
Our faith is the bullet, hope is the gun	Soldiers, follow my lead
Love is all we need	Repeat after me
Now our fear's on the run	Our faith is the bullet, hope is the gun
We've already won	Love is all we need
Now march with the band	Now our (7) on the run
And raise your right hand	We've already won
We've only just begun	Now march with the band
I (2) a vow to never let you down	And raise your right hand
When it's us there ain't no competition	We've only just begun
I could be the star	(Uh, uh) It's the moment of truth
On which you're wishing	(Uh, uh) I'm counting on you
I never doubted for a moment, it's true	This army of two
I love all of you, if you love me too	I've only just begun
Yeah	(Uh, uh) (8) the moment of truth
Don't ever change and (3) stay the same	(Uh, uh) I'm counting on you
We'll be swimming in the same direction	This army of two
We'll never lose this connection	I've only just begun
