Come back, come back, come back to me Like you would, you would if this was a movie

### Fill in the gaps

### If This Was A Movie (Cover) by Maddi Jane

_ast night i heard my own (1) beating	Stand in the rain outside
Sounded like footsteps on my stairs	'Til I came out
Six (2) gone and I'm (3)	Come back, come back, come back to me
reaching	Like you could, you could if you just (5) you're
Even though I know you're not there	sorry
was playing back a thousand memories, baby	I know that we could (6) it out somehow
Thinkin' 'bout everythin' we've been through	But if this was a movie you'd be here by now
Maybe I've been goin' back too much lately	If you're out there, if you're somewhere
When time stood still and I had you	If you're moving on
So come back, come back, come back to me	I've be waiting for you ever since you've been gone
Like you would, you would if this was a movie	I just want it back the way it was before
Stand in the rain outside	And I just wanna see you (7) at my front door
Til I came out	And I say come back, come back, come back to me
So come back, come back, come back to me	Like you would before you (8) it's not that easy
Like you could, you could if you just said you're sorry	Before the fight, before I locked you out
know that we could work it out somehow	But I'd take it all back now
But if this was a movie you'd be here by now	Come back, come back, come (9) to me
know people change and these things happen	Like you would, you would if this was a movie
But I remember how it was back then	Stand in the rain outside
Wrapped up in your arms	'Til I came out
And our friends were laughing	Come back, come back, come back to me
Cause nothing like this ever happened to them	Like you could, you could if you just said sorry
Now, I'm pacing down the hall	I know that we could work it out somehow
Chasing down (4) street	But if this was a movie you'd be here by now
Flashback to the night when you said to me	You'd be here by now
That nothing's gonna change	Come back, come back, come back to me
Not for me and you	Come back, come back, come back to me
That before I knew how much I had to lose	That you'd be here by now
