

Like you would, you would if this was a movie

Fill in the gaps

If This Was A Movie (Cover) by Maddi Jane

Last (1) I heard my own heart beating	Stand in the rain outside
Sounded like footsteps on my stairs	'Til I (15) out
Six (2) gone and I'm still reaching	Come back, come back, come (16) to me
Even though I know you're not there	Like you could, you could if you just (17) you're
I was (3) back a (4)	sorry
memories, baby	I know that we could (18) it out somehow
Thinkin' 'bout everythin' we've been through	But if (19) was a movie you'd be here by now
Maybe I've been goin' back too much lately	If you're out there, if you're somewhere
When time stood still and I had you	If you're moving on
So come back, come back to me	I've be waiting for you (20) since you've
Like you would, you would if this was a movie	(21) gone
Stand in the rain outside	I (22) it back the way it was before
Til I (5) out	And I just wanna see you back at my front door
So come back, come back, come (6) to me	And I say come back, (24) back, come back to me
Like you could, you could if you just said you're sorry	Like you would before you (25) it's not that easy
I know (7) we could (8) it out somehow	Before the fight, before I locked you out
But if this was a (9) you'd be here by now	But I'd take it all (26) now
I know (10) (11) and these	Come back, come back, come (27) to me
things happen	Like you would, you would if this was a movie
But I remember how it was back then	Stand in the rain outside
Wrapped up in your arms	'Til I came out
And our friends were laughing	Come back, come back to me
Cause (12) like this ever happened to	Like you could, you could if you just said sorry
them	I know that we could work it out somehow
Now, I'm pacing down the hall	But if this was a movie you'd be here by now
Chasing down your street	You'd be here by now
Flashback to the night (13) you said to me	Come back, come back to me
That nothing's gonna change	Come back, (28) back, come back to me
Not for me and you	That you'd be here by now
That (14) I knew how much I had to lose	
Come back, come back to me
