

## Fill in the gaps

You won't hear me
But you'll feel me
Without warning
Something's dawning
Listen, listen
Then within your senses
You'll know you're defenseless
How your heart beats
When you run for cover, cover
You can't retreat
I spy like no other
Then we race together
We can ride forever
Wrapped in horsepower
Driving into fury
Changing gear
I pull you tighter to me
I'm (1) (2) lover
Tell me there's no other
I'm your (3) lover
Better run for cover
We hold (4) other closer
As we shift to overdrive
And (5) goes rushing by

With every nerve alive
We move so fast it seems as though
We've taken to the sky
Love machines in harmony
We hear the engines cry
I'm your turbo lover
Tell me there's no other
I'm your turbo lover
Better run for cover
On and on
We're (6) to the place so many seek
vote (o) to the place so many seek
In (7) synchronicity
In (7) synchronicity
In (7) synchronicity  Of which so many speak
In (7) synchronicity  Of which so many speak  We feel so close to heaven
In (7) synchronicity  Of which so many speak  We feel so close to heaven  In this (8) heavy load
In (7) synchronicity  Of which so many speak  We feel so close to heaven  In this (8) heavy load  And then in sheer abandonment
In (7) synchronicity  Of which so many speak  We feel so close to heaven  In this (8) heavy load  And then in sheer abandonment  We shatter and explode, explode
In (7) synchronicity  Of which so many speak  We feel so close to heaven  In this (8) heavy load  And then in sheer abandonment  We shatter and explode, explode  I'm your (9) lover
In (7) synchronicity  Of which so many speak  We feel so close to heaven  In this (8) heavy load  And then in sheer abandonment  We shatter and explode, explode  I'm your (9) lover  Tell me there's no other
