

Fill in the gaps

You won't hear me
But you'll feel me
Without warning
Something's dawning
Listen, listen
Then within your senses
You'll know you're defenseless
How your heart beats
When you run for cover, cover
You can't retreat
I spy like no other
Then we race together
We can ride forever
Wrapped in horsepower
Driving into fury
Changing gear
I pull you tighter to me
I'm your turbo lover
Tell me there's no other
I'm your turbo lover
Better run for cover

We hold (1)_____ other closer

And (2)_____ goes rushing by

As we shift to overdrive

with every nerve alive
We (3) so fast it seems as though
We've taken to the sky
Love (4) in harmony
We hear the engines cry
I'm your turbo lover
Tell me there's no other
I'm (5) turbo lover
Better run for cover
On and on
We're charging to the place so many seek
In perfect synchronicity
Of which so many speak
We feel so close to heaven
In this roaring (6) load
And (7) in sheer abandonment
We shatter and explode, explode
I'm your turbo lover
Tell me there's no other
I'm your turbo lover
Better run for cover
I'm your turbo lover
