| Midsummer, I wave A 'V' of black swans On with hope to the grave And through red September When skies fire-paved begged you appear like A thorn for the (1) ones Cold was my soul Untold was the pain faced, when you left me A rose in the rain So I swore to the razor That never, enchained Would your dark nails of faith | (More sugar trails, more white lady laid) (Than pillars of salt) Fall to my arms Hold (15) (16) sway And dance out to the moon As we did in (17) (18) days Christening stars I remember the way We (19) (20) and spoon Mislaid in the burning hay Bared on your tomb I am a (21) for your loneliness And would you ever swoon |
