Sweet Dreams by Beyoncé

Either way, I don't wanna wake up from you

(Turn the lights on)

Fill in the gaps

Turn the lights on	You can be a sweet dream
Every night I rest in my bed	Or a beautiful nightmare
With hopes that maybe I'll get a chance	Somebody pinch me
To see you when I close my eyes	Your love is too good to be true
I'm going out of my head	(Turn the lights on)
Lost in a fairytale	My guilty pleasure
Can you (1) my (2) and be my	I ain't going nowhere
guide?	Baby, long as you're here
Clouds filled (3) stars cover your skies	I'll be floating on air 'cause you're my
And I hope it rains	You can be a sweet dream
You're the perfect lullaby	Or a beautiful nightmare
What kind of dream is this?	Either way, I don't wanna wake up from you
You can be a sweet dream	(Turn the lights on)
Or a (4) nightmare	Tattoo your name across my heart
Either way, I don't (5) wake up from you	So it (7) remain
(Turn the lights on)	Not even death can make us part
Sweet dream or a beautiful nightmare	What kind of dream is this?
Somebody pinch me	You can be a sweet dream
Your love is too good to be true	Or a beautiful nightmare
(Turn the lights on)	Either way, I don't wanna (8) up from you
