An end to hopelessness

Fill in the gaps

Stand Up For Love by Destiny's Child

There are times	A giving up
I find it hard to sleep at night	Of suffering
We are living (1) such troubled times	If we all stand together this one time
And there's a child	Then no one will get left behind
That reaches out for (2) to hold	Stand up
For one moment they become my own	For life
And how can I	Stand up
Pretend that I don't (3) what's going on	For love
When every second, every minute	And it all starts right here
Another soul is gone	And it starts right now
And I believe	One person stands up and
That in my life I will see	And the rest (7) follow
An end to hopelessness	For all the forgotten
A giving up	For all the unloved
Of suffering	I'm gonna sing (8) song
If we all stand together this one time	And I believe
Then no one (4) get left behind	That in my life I will see
Stand up	An end to hopelessness
For life	A giving up
Stand up	Of suffering
For love	If we all stand together (9) one tim
I'm inspired	Then no one will get left behind
And hopeful each and every day	Stand up
That's how I know that things are gonna change	For life
So how can I	Stand up
Pretend that I don't (5) what's going on	And sing, yeah
When every second, every minute	Stand up
Another (6) is gone	For love
Now, I believe	For love, for love
That in my life I will see
