Stand Up For Love by Destiny's Child

There are times		A giving up
I find it hard to sleep at night		Of suffering
We are living through (1) troubled times		If we all stand together this one time
And there's a child		Then no one will get left behind
That (2) out for (3)	to	Stand up
hold		For life
For one moment they become my own		Stand up
And how can I		For love
Pretend that I don't know what's going on		And it all starts right here
When every second, every minute		And it starts right now
Another soul is gone		One (6) stands up and
And I believe		And the (7) will follow
That in my life I will see		For all the forgotten
An end to hopelessness		For all the unloved
A giving up		I'm gonna sing (8) song
Of suffering		And I believe
If we all stand together this one time		That in my life I will see
Then no one will get left behind		An end to hopelessness
Stand up		A giving up
For life		Of suffering
Stand up		If we all stand together this one time
For love		Then no one will get left behind
I'm inspired		Stand up
And hopeful each and every day		For life
That's how I know (4) things are gonna change		Stand up
So how can I		And sing, yeah
Pretend that I don't (5) what's going on		Stand up
When every second, every minute		For love
Another soul is gone		For love, for love
Now, I believe		

- 1. such
- 2. reaches
- 3. someone
- 4. that
- 5. know
- 6. person
- 7. rest
- 8. this
