We're never gonna stop

Fill in the gaps

Round & Round by Selena Gomez & The Scene

Round and round	Going round and round
Round and round	We'll (5) get where
Round and round	We're going round and round
You see me standing there	Well you're gonna (6) me
And act like you dont know me	'Cause I'm getting dizzy
But last night you were calling me	Going (7) and round and round
Saying you want me	Love me or Love me not
(Oh) why you (1) make me feel	I'm starring at the clock
Like I'm the one that's crazy	I take them flower petals off
You got my heart racing	And then I watch them drop
My-my heart racing	Love me or love me not
Boy, I need you here (2) me	I'm starring at the clock
We can't go on this way	I take them flower (8) off
I'm falling hard for you	And then I watch them drop
All I can say	Boy, I need you here with me
We're going (3) and round	I can't go on this way
We're never gonna stop	I'm falling hard for you
Going round and round	All I can say
We'll never get where	Round and round
We're going round and round	We're never gonna stop
Well you're gonna miss me	Going round and round
'Cause I'm getting dizzy	We'll never get where
Going round and round	We're going round and round
You tried to pull me close	Well you're gonna miss me
And whisper in my ear	'Cause I'm getting dizzy
You always told me lies	Going round and round and round
I've cried out all my tears	We're never gonna stop
I pushed my feelings to the side	Going round and round
But then you bring them back	We'll never get where
B-bring them back	We're going round and round
Now you got me singing	Well you're gonna miss me
Boy, I need you here with me	'Cause I'm getting dizzy
We can't go on this way	Going round and round and round
I'm falling hard for you	(Whoa Whoa Whoa)
All I can say
