

In the light you bet it all

## Fill in the gaps

Hiding in the morning light	In (11) (12) we'll bury
You can come here any time	All the minds that (13) too tigh
Ride (1) (2) eyes	You are carried
You can come here anytime	You are carried
In the (4) I'm falling	(Ooh) we don't have to marry
Held in the eye of night	In the (14) you bet it all
Malice keeps calling	In this (15) we'll bury
Your (5) on calming	All the minds (16) clench too tight
You are carried	You are carried
You are carried	You are carried
It was in the (7) light	You are carried
Bruised (8) on top of mine	You are carried
	You are carried
I (9) you in my underwear	You are carried
	You are carried
Someone (10) see, but I don't care!	You are carried
(Ooh) we don't have to marry
