Chasing Cars (2007) by Snow Patrol

We'll do it all	Chasing cars
Everything	Around our heads
On our own	If I lay here
We don't need	If I (5) lay here
Anything	Would you lie with me and just forget the world?
Or anyone	Forget (6) we're told
If I lay here	Before we get too old
If I just lay here	Show me a garden that's bursting into life
Would you lie (1) me and just forget the world?	All that I am
I don't quite know	All (7) I ever was
How to say	Is here in your perfect eyes
How I feel	They're all I can see
Those (2) words	I don't know where
Are said too much	Confused about how as well
They're not enough	Just (8) that these things will never
If I lay here	Change for us at all
If I just lay here	If I lay here
Would you lie with me and just (3) the world?	If I just lay here
Forget (4) we're told	Would you lie (9) me and (10) forget
Before we get too old	the world?
Show me a garden that's bursting into life
