

Fill in the gaps

I like the people	And anything I'd want to say out loud
I like the song	Will be sung
This is my (1) of music	This is my kind of music
They play it all night long	They play it all night long
I like the singer	Expressing passion
He's lonely and strange	Explaining pain
Every track has a vocal	Aspirations for a better life are ordained
And that makes a change	And (6) about tonight
And everything (2) tonight	Feels right and so young
Feels right and so young	And anything I'd want to say out loud
And (3) I'd want to say	Will be sung
Out loud will be sung	This is my kind of music
It's in the music	They play it all night long (all night long)
It's in the song	It's in the music
Everyone I (4) would be around	It's in the song
Has come along	And the (7) of the ones around us all
For the music	Is so strong
It's in the music	It's in the music
It's in the song	It's in the song
And the feeling of the ones (5) us all	They play it all night (8) (they play it all night long)
Is so strong	They play it all (9) long
It's in the music	
And everything about tonight	
Feels right and so young
