

## Fill in the gaps

I like the people	And anything I'd (12) to say out loud
I (1) the song	Will be sung
This is my kind of music	This is my kind of music
They (2) it all night long	They play it all night long
I (3) the singer	Expressing passion
He's (4) and strange	Explaining pain
Every track has a vocal	Aspirations for a (13) (14) are
And that (5) a change	ordained
And everything about tonight	And everything about tonight
Feels right and so young	Feels right and so young
And (6) I'd (7) to say	And anything I'd want to say out loud
Out loud (8) be sung	Will be sung
It's in the music	This is my (15) of music
It's in the song	They (16) it all night (17) (all
Everyone I (9) would be around	(18) long)
Has come along	It's in the music
For the music	It's in the song
It's in the music	And the feeling of the ones (19) us all
It's in the song	Is so strong
And the feeling of the (10) around us all	It's in the music
Is so strong	It's in the song
It's in the music	They (20) it all night (21) (they
And everything (11) tonight	(22) it all night long)
Feels right and so young	They play it all night long
